**About us:** LimaBean Art Studio has been in the Lima area for over 5 years. We specialize in kid and family focused art programs and events. We love helping raise funds for schools and are specialists in all things SLIME!!!

**How it works:** You know it, **KIDS LOVE SLIME!** Let us help you turn this love of slime into funds for your school. You send out a flyer (we can provide a sample) to students notifying them of the fundraiser. Students sign up and send in their money to the school. We recommend charging \$25 or \$29 per child for the 2 hour event. We charge you \$10 per child and the remaining funds are yours less the cost of the pizza and drinks! The kids get to make (and take home) multiple slimes during the first 90-100 minutes and then enjoy pizza and drinks for the final 20-30 minutes. **The event works great on an early release day.** We can work directly with your PTC/PTA or your administration to set it up and can handle groups of up to 50-60 per session. All we require to confirm your date and time is a \$75 deposit (to cover a portion of the needed supplies) and do ask for a \$200 minimum per event (that's only 20 kids). It's quick and easy with only minimal involvement on your behalf.
